3.1 Eight (8) fee simple estates, each consisting of a separately designated unit, together with an undivided interest in the common elements

property; the condominium unit designations, the dimensions of such units and the elevations of the unfinished floors and ceilings.

5.4 In interpreting the condominium map or any part thereof, the existing physical boundaries of the units shall be conclusively presumed to be its boundaries.

6. DESCRIPTION OF CONDOMINIUM UNIT.

6.1 Every instrument affecting the title to a condominium unit may describe that condominium unit as follows:

Condominium Unit _____, Hunter Hill Condominiums according to the Condominium Map bearing reception number 356266 of the records of Gunnison County, Colorado and the Condominium Declaration pertaining thereto recorded in Book 561 at page 178 of the records of Gunnison County, Colorado.

6.2 Such method of description shall be sufficient for all purposes to sell, convey, transfer, and encumber or otherwise affect the condominium unit and the undivided interest in the common elements appurtenant to the condominium unit and all other appurtenant properties and property rights and incorporates all of the rights, duties, limitations and burdens incident to ownership of a condominium unit as described in this Declaration.

6.3 The reference to the Condominium Map and the Condominium Declaration in any instrument shall be deemed to include any supplements or amendments to the Condominium Map or the Condominium Declaration, whether or not specific reference is made thereto.

7. TITLE. A condominium unit may be held and owned by more than one owner as joint tenants or as tenants in common, or in any real property tenancy or estate recognized under the laws of the State of Colorado.

8. TERM OF OWNERSHIP. The separate estate of an owner of a condominium unit created by this Declaration shall continue until revoked in the manner contained in this Declaration or by operation of law.

9. NON-PARTITIONABILITY AND TRANSFER OF COMMON ELEMENTS. The common elements shall be owned in common by all of the owners of the units and shall remain undivided. By the acceptance of his deed or other instrument of conveyance or assignment, each owner specifically waives his right to institute and/or maintain a partition action or any other action designed to cause a division of the common elements. Each owner specifically agrees not to institute any action therefore. Furthermore, each owner agrees that this Section 9 may be pleaded as a bar to the maintenance of such an action. A

violation of this provision shall entitle the Association to personally collect, jointly and severally, from the parties violating the same, the actual attorney fees, costs and other damages the Association incurs in connection therewith. Further, all owners, and the Association, covenant that, except as provided in Section 30, they shall neither by act nor omission, seek to abandon, subdivide, encumber, sell or transfer the common elements without first obtaining the written consent of 80% of the first mortgagees of the individual condominium units. Each such mortgagee shall have one vote for each mortgage owned by it. Any such action without the written consent of said mortgagees shall be null and void.

10. USE OF GENERAL COMMON ELEMENTS AND LIMITED COMMON ELEMENTS. Each owner shall be entitled to exclusive ownership and possession of his condominium unit. Each owner may use the general common elements in accordance with the purpose for which they are intended, without hindering or encroaching upon the lawful rights of the other owners.

11. USE AND OCCUPANCY. The condominium units in the project shall be used and occupied solely for residential purposes by the owner, his family, guests, invitees and tenants. Such use and occupancy shall be subject to the provisions contained herein. This restriction as to residential use only, shall not apply to the Declarant, its agents, employees, invitees and assigns during the period of construction and sale of the condominium units. Specifically, and in addition thereto, the association may use any condominium unit which it owns or leases as a business office and/or a residence for any resident manager, or employee of the association.

12. EASEMENTS FOR ENCROACHMENTS. In the event that any portion of the common elements encroaches upon any unit or units, or in the event that any portion of a unit encroaches upon any other unit or units or upon any portion of the common elements, or in the event any encroachment shall occur in the future as a result of: (1) settling of a building; or (2) alteration or repair to the common elements; or (3) repair or restoration of a building(s) and/or a unit(s) after damage by fire or other casualty, or condemnation or eminent domain proceedings; a valid easement shall exist for the encroachment and for the maintenance of the same so long as the building(s) stands or encroachment exists. In the event that any one or more of the units or buildings or other improvements comprising part of the common elements are partially or totally destroyed and are subsequently rebuilt or reconstructed in substantially the same location, and as a result of such rebuilding any portion thereof shall encroach as provided in the preceding sentence, a valid easement for such encroachment shall then exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the common elements or on the units for purposes of marketability of title or other purposes. In the interpreting any and all provisions of the Declaration, subsequent deeds to and/or mortgages relating to condominium units, the actual location of a unit shall be deemed conclusively to be the property intended to be conveyed, reserved or encumbered notwithstanding any minor deviations, either horizontally, vertically or laterally from the location of such unit indicated on the condominium map.

13. RESERVATION FOR ACCESS-MAINTENANCE, REPAIR AND EMERGENCIES.

13.1 The owner of a unit shall have the irrevocable right, to be exercised by the Association, its officers, agents and employees, to have access to each unit and all common elements from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any of the common elements therein or accessible therefrom, or at any hour for making emergency repairs, maintenance or inspection therein necessary to prevent damage to the common elements or to another unit.

13.2 Damage to the interior or any part of a unit, except for owner installed or constructed improvements, resulting from the maintenance, repair, emergency repair or replacement of any of the common elements or as a result of emergency repairs within another unit at the direction of the Association, shall be a common expense of all of the owners; provided, however, that if such damage is caused by the negligence of the owner of the unit, his agents, employees, invitees or tenants then such owner shall be responsible and liable for all of such damage and the cost thereof shall be the owner's obligation and shall be immediately paid upon demand therefor.

13.3 All damaged improvements shall be restored substantially, to the extent reasonably practical, to the same condition in which they existed prior to such damage.

13.4 All maintenance, repairs and replacement of the common elements, whether located inside or outside of any unit (unless caused by the negligence, misuse or deliberate act of an owner, in which case such expense shall be charged to such owner), shall be the common expense of all of the owners.

14. SEPARATE ASSESSMENTS AND TAXATION - NOTICE TO ASSESSOR. The Declarant shall give written notice to the Assessor of the County of Gunnison, Colorado, of the creation of condominium ownership of this project, as provided by the Condominium Ownership Act of the State of Colorado, so that each condominium unit, together with its undivided interest in the common elements and limited common elements appurtenant thereto, shall be deemed a separate parcel and subject to separate assessment and taxation.

15. ASSESSMENTS AND TAXATION. Each condominium unit shall be separately assessed for all taxes and assessments of the State of Colorado, the County of Gunnison or any other political subdivision or district having authority to tax. For the purpose of such assessment, the valuation of the common elements shall be apportioned among the condominium units in proportion to the undivided interest in the common elements appurtenant to such condominium units.

16. ASSOCIATION AS ATTORNEY-IN-FACT. This Declaration does hereby make mandatory and does constitute the irrevocable appointment of the Association as attorney-in-fact for the owner of every condominium unit for all purposes with respect to the project upon its damage, destruction or obsolescence.

17. AUTHORITY OF HUNTER HILL CONDOMINIUMS ASSOCIATION.

17.1 The title to any condominium unit is hereby declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed from the Declarant or any prior owner shall constitute the appointment of the Association as the owner's attorney-in-fact for the purposes expressly set forth in this Declaration.

17.2 The Association, as attorney-in-fact, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other document with respect to the interest of the owner of a condominium unit for the purposes expressly set forth in this Declaration.

17.3 Each owner shall comply strictly with the provisions of this Declaration, any supplement or amendment hereto, the Articles of Incorporation and Bylaws of the Association and all decisions, resolutions, rules and regulations of the Association adopted in accordance with this Declaration and the Articles of Incorporation and Bylaws of the Association. Failure to comply with any of the same shall be grounds for an action to recover any amounts due, for damages or injunctive relief or both, together with reasonable attorneys' fees and costs, incurred in connection therewith, brought by the Association on behalf of the owners, or, in a proper case, by any aggrieved owner.

17.4 The Association shall have the duty of maintaining and repairing all of the common elements within the project. The cost of all such maintenance shall be a common expense of all of the owners. The Association shall not be required to obtain the prior approval of the owners to cause such maintenance or repairs to be accomplished, regardless of the cost thereof.

17.5 In addition to all other rights, duties privileges and liabilities of the Association, as provided by this Declaration and its Articles of Incorporation and amendments, the Association shall provide to the owners the following duties and services, all of which shall be paid as a part of the common expense assessments:

17.5.1 Maintenance, repair and restoration of the common elements, except only as otherwise provided.

17.5.2 Administration and management of the project.

17.5.3 The heating, lighting and other utility services for all common areas.

17.5.4 The obtaining and maintaining of all required insurance as hereafter provided.

17.5.7 To perform all other acts required by this Declaration, or the Articles of Incorporation and Bylaws of the Association, or any amendments thereto.

17.5.8 In addition to the foregoing, the Association shall have the right to hire one or more persons including a managing agent to perform such services. No contract or agreement for the employment of a managing agent or professional manager for the project shall be for a term in excess of three years and any such agreement shall provide that the same may be terminated with or without cause and without payment of any termination fee on 90 days written notice.

17.6 The Bylaws of the Association shall provide, without limitation, for the following:

17.6.1 The election from among the unit owners of a board of managers, the number of persons constituting such board, and that the terms of at least one-third of the members of the board shall expire annually; the powers and duties of the board; the compensation, if any, of the members of the board; the method of removal from office of members of the board; and whether or not the board may engage the services of a manager or managing agent, or both, and specifying which of the powers and duties granted to the board may be delegated by the board to either or both of them; however, the board when so delegating shall not be relieved of its responsibility under the declaration;

17.6.7 A statement that the unit owners and their mortgagees, if applicable, may inspect the records of receipts and expenditures of the board of managers pursuant to section 38-33-107 C.R.S. 1973 at convenient weekday business hours, and that, upon ten days' notice to the manager or board of managers and payment of a reasonable fee, any unit owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such owner;

17.6.9 The method of adopting and of amending administrative rules and regulations governing the operation and use of the common elements;

17.6.16 Such restrictions on and requirements respecting the use and maintenance of the units and the use of the general common elements as are designed to prevent unreasonable interference with the use of their respective units and said common elements by the several unit owners;

17.6.17 Such restrictions on and requirements concerning the sale or lease of a unit including rights of first refusal on sale and any other restraints on the free alienability of the unit;

17.6.18 A statement listing all major recreational facilities and to whom they are available and clearly indicating whether or not fees or charges, if any, in conjunction therewith, are in addition to the regular assessment;

17.6.19 A statement relating to new additions of general common elements to be constructed, including but not limited to:

18. ADMINISTRATION AND MANAGEMENT BY THE ASSOCIATION.

18.1 The administration and management of this project shall be governed by this Declaration and the Articles of Incorporation and the Bylaws of Hunter Hill Condominiums Association, hereafter referred to as the "Association".

18.2 The owner of a condominium unit, upon becoming such owner, shall be entitled and required to be a member of the Association and shall remain a member for the period of his ownership.

18.3 There shall be one membership in the Association for each condominium unit. Such membership shall be appurtenant to the condominium unit and shall be transferred automatically by a conveyance of the condominium unit to the new owner.

18.4 Each membership in the Association shall be entitled to cast a vote in accordance with the ownership interest of the general common elements appurtenant to that condominium unit as is provided in exhibit "B" to this Condominium Declaration.

18.5 No person other than an owner may be a member of the Association and a membership may not be transferred except in connection with the conveyance or transfer of the condominium unit; provided however, that such membership may be assigned to the holder of a mortgage as further security for the loan secured by the lien of the mortgage holder upon the condominium unit.

18.6 The Association shall have the full power and authority to make all certifications required by

the Federal Home Loan Mortgage Corporation regarding the extent of, and limitation upon, the rights, powers, and privileges of the Association hereunder.

19. OWNERS' MAINTENANCE RESPONSIBILITY OF UNIT.

19.1 The owner of a condominium unit shall keep and maintain the interior of his unit, including, but without limitation, the interior walls, ceilings, floors, windows, glass and all permanent fixtures and appurtenances thereto in a good and proper state of repair and in a clean and attractive condition.

19.2 The owner shall not be deemed to own any utilities running through his unit which serve one or more other units except as tenants in common with the other owners. No utilities shall be altered, changed, relocated or disturbed without the prior written consent of the Association.

19.3 Such right to repair, alter and remodel shall carry the obligation to replace any finished materials removed with similar or other types or kinds of finishing materials.

19.4 All fixtures and equipment installed within the unit commencing at a point where the utility lines, pipes, wires, conduits or systems (which for brevity are referred to as "utilities") enter the unit shall be maintained and kept in repair by the owner thereof.

19.5 An owner shall neither perform nor permit any act or work that will impair the structural soundness or integrity of the building or impair any easement or utility.

20. REVOCATION OR AMENDMENT OF DECLARATION.

20.1 This Declaration shall not be revoked unless all of the owners and all of the holders of any recorded first mortgage covering or affecting any or all of the units consent to such revocation by an instrument(s) duly recorded in the records of Gunnison County, Colorado; except only as otherwise provided in paragraph 16 pertaining to the appointment of the Association as attorney-in-fact in the event of damage, destruction, obsolescence or condemnation of the project.

20.2 This Declaration shall not be amended unless the owners representing an aggregate ownership interest of seventy-five (75%) or more of the general common elements, and the holders of any recorded first mortgages representing an aggregate of eighty (80%) of such first mortgages covering or affecting any or all units consent to such amendment by an instrument(s) duly recorded in the records of Gunnison County Colorado; provided, however, that the undivided interest in the general common elements appurtenant to each unit, as expressed in this Declaration, shall have a permanent character and shall not be altered without the consent of all of the owners and all of the holders of first mortgages, as

above defined, as expressed in an amended Declaration duly recorded in Gunnison County, Colorado.

20.3 The consent(s) of any junior mortgage holders shall not be required under the provisions of this paragraph.

20.4 In determining the appropriate percentage approval of the holders of first mortgages, each first mortgage shall have one vote for each first mortgage owned by it.

20.5 Notwithstanding the foregoing paragraphs, the Declarant hereby reserves and is hereby granted the right and power, until such time as all of the condominium units within the project have been conveyed to third person purchasers, to record a special amendment to this Declaration:

20.5.1 To comply with any requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation or any successor thereto.

20.5.2 To induce any such agency or entity to make, purchase, sell, insure or guarantee first mortgages pertaining to any condominium unit in the project.

Such amendment shall only be effective upon compliance with the requirements of Section 20.2 hereof, and no such amendment made by the Declarant shall in any manner affect or impair the lien of a first mortgage upon a unit within the project or any warranty made by an owner or a holder of a first mortgage in order to induce any of the above named agencies or entities to make, purchase, insure, or guarantee the first mortgage on any owner's unit.

20.6 The provisions of paragraph 20.2 shall not be deemed to prohibit the right of the Declarant to supplement and enlarge the project and modify the undivided interest in the general common elements.

21. ASSESSMENT FOR COMMON EXPENSES BY THE ASSOCIATION.

21.1 The Declarant, for each condominium unit owned by it, and each owner of a condominium unit by the acceptance of a deed therefore shall be deemed to covenant and agree and shall be obligated to pay to the Association all assessments made by the Association for the purposes provided in this Declaration.

21.2 The assessments and expenses pertaining to the common elements and to the project as a whole shall be apportioned among all of the owners of condominium units, in accordance with their undivided interest in the general common elements as set forth on attached Exhibit "B".

21.3 During the period of development of the project and until the sale of a condominium unit by the Declarant to a third person, the monthly assessments to be paid by the Declarant on such condominium units shall be based upon the

actual cost and expense required to maintain that condominium unit's required share of the common expenses and shall not include any amounts necessary for contingencies, reserves or other funds not required for the cost of operating and maintaining the common elements on a day by day basis.

22. AMOUNT OF ASSESSMENTS FOR COMMON EXPENSES.

22.1 The annual assessments made for common expenses shall be based upon the advance estimate of the cash requirements by the Association to provide for the payment of all common expenses growing out of or connected with the maintenance and operation of the common elements, which sums may include, among other things, expenses of management, taxes and special assessments until the condominium units are separately assessed, premiums for all insurance which the Association is required or permitted to maintain, maintenance, repair, and replacement of the sewer lift station serving the project, landscaping and care of grounds, common lighting and heating, repairs and renovations, trash collection, legal and accounting fees, management fees, expenses and liabilities incurred by the Association under or by reason of this Declaration, the Articles of Incorporation and the Bylaws of the Association, any deficit remaining from a previous assessment, the creation of a reasonable contingency or other reserve or surplus fund and any other expenses and liabilities which may be incurred by the Association for the benefit of the owners. In addition, the Association shall include in the annual assessment an amount equal to the water and sewer service charges assessed to all units within the project by the Crested Butte Water and Sanitation District, for which charges the Association shall be liable to the Crested Butte Water and Sanitation District.

22.2 The omission or failure of the Association to fix such assessment for any period shall not be deemed a waiver, modification or release of the owners from their obligation to pay the same.

22.3 In the event that the Association fails to pay any service charges imposed by a district providing services to it, each owner shall be personally responsible and liable for the required payments to such district, and the fact that the owner has already paid the Association therefor shall not exempt the owner from liability.

22.4 Each owner shall be obligated to pay all charges for any separately metered utilities servicing his condominium unit. In the event that any utility is master metered to the Association, then such utility service shall be a part of the common assessments as above provided.

22.5 The Association shall be obligated to establish a reserve fund for the maintenance, repair and replacement of the common elements. The amount of such fund shall be determined by the Association and shall be funded through monthly payments of the common assessments and shall be held by the Association in a separate account, which may be an interest-bearing account.

22.6 In addition to assessments for common expenses as above set forth, the Association may at any time and from time to time determine, levy and assesses any special assessment for the purpose of paying, in whole or in part, the costs fees or expenses of any construction, reconstruction, repair, replacement or maintenance of the common elements or the project or any facilities located thereon. Such special assessment shall be assessed to each owner in accordance

with his ownership interest in the common elements as set forth in attached exhibit "B" and shall be due and payable in the manner set forth in the notice of such special assessment.

23. TIME OF PAYMENTS OF ASSESSMENTS FOR COMMON EXPENSES.

23.1 The assessments of the Association shall be computed and determined on a fiscal year basis.

23.2 Assessments shall be payable monthly in advance on or before the tenth day of each month by the owners of the units.

23.3 The Association shall give written notice to the owners of the units of the annual assessment and shall further prepare and deliver to each owner itemized monthly statements.

23.4 If any such monthly statement is not paid within ten days after the date that it becomes due and payable, the Association may assess a "late charge" thereon in an amount not exceeding \$10.00 per month to cover the extra costs and expense involved in handling such delinquent statement. In addition, the Association may provide that any assessment shall bear interest at a rate two points over the prime commercial rate charged to preferred customers by the United Bank of Denver on the 10th day after the date the delinquent statement becomes due and payable. In the event the United Bank of Denver does not quote such a prime commercial rate of interest on said date, the rate of interest shall be the maximum rate of interest permitted by law on said date.

24. LIEN FOR NON-PAYMENT OF COMMON EXPENSES.

24.1 All sums assessed to any condominium unit and not paid within 30 days from the date of assessment, together with interest thereon as herein provided, shall constitute a lien on such condominium unit in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such condominium unit except only:

24.1.1 Tax and assessment liens on the condominium unit by any governmental authority.

24.1.2 All sums unpaid on a first mortgage of record, including all unpaid obligatory advances made pursuant to such mortgage.

24.2 To evidence such lien, the Association, by the board of directors, officers or manager may prepare a written notice of lien setting forth the amount of the assessment, the amount remaining unpaid, the name of the owner of the condominium unit and a description thereof. Such notice shall be signed by the Association and may be recorded in the records of Gunnison County, Colorado. Such lien shall attach from the date of the failure of payment of the assessment and shall continue as a lien until all sums with interest and other charges thereon, including the Association's attorney's fees and costs in the drafting and recording of said notice of lien and release thereof, have been fully paid, and such lien shall not be extinguished nor annulled by the foreclosure of any other lien.

24.3 Such lien may be enforced by foreclosure by the Association in the same manner as a foreclosure of a mortgage. In such foreclosure, the owner shall be required to pay the costs and expenses for such proceedings, the cost and expenses for filing the notice of claim of lien and all reasonable attorneys' fees. The owner shall also be required to pay to the Association the monthly assessments for the unit during the period of foreclosure, and the Association shall be entitled to a receiver to collect the same. The Association shall have the power to bid in the unit at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

24.4 Any mortgagee holding a lien on a condominium unit may pay, but shall not be required to pay, the amount secured by such lien, and upon such payment said mortgagee shall have a lien on such unit for the amounts paid of the same rank as the lien of its mortgagee.

24.5 The Association shall report to any mortgagee of a condominium unit any unpaid assessments remaining unpaid for more than 30 days after the date of assessment, provided that such mortgagee shall have made written request therefor.

25. OWNERS' OBLIGATION FOR PAYMENT OF ASSESSMENTS. The amount of the common expenses assessed against each condominium unit shall be the personal and individual debt of the owner or owners thereof at the time the assessment is made. Suit to recover a money judgement for such unpaid debt shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No owner may exempt himself from the liability for his contribution towards the common expenses by waiver of the use or enjoyment of any of the common elements or abandonment of his unit.

26. STATEMENT OF ACCOUNT.

26.1 Upon payment of a reasonable fee, and upon the written request upon any owner, prospective owner, or holder of a mortgage of a condominium unit, the Association shall issue a written statement setting forth the amount of the unpaid common expenses, if any, with respect to the subject unit, the amount of the current monthly assessment and the date that such assessments become due, including but not limited to insurance premiums, which statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request for a statement shall be complied with within twenty days of such request, then such requesting party shall not be liable for, nor shall the unit if conveyed, be subject to any lien for any unpaid assessments against the subject unit. The provisions contained in this paragraph shall not apply upon the initial transfer of the unit by the Declarant.

26.2 The grantee of a condominium unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore, subject only to the limitations set forth in paragraph 26.1. The term "Grantee" as used in this section shall

not apply to the holder of any first mortgage upon a condominium unit, or to any person or entity acquiring title to a condominium unit by either sheriff's or public trustee's deed through foreclosure, or who acquires title by a deed given in lieu of foreclosure of a mortgage, deed of trust, or other security instrument encumbering such condominium unit.

27. TERMINATION OF MECHANIC'S LIEN RIGHTS AND INDEMNIFICATION.

27.1 Subsequent to the completion of the improvements described on the Condominium Map, no labor performed or materials furnished and incorporated into a unit with the consent or at the request of the unit owner or his agent or his contractor or subcontractor shall be the basis for filing of a lien against the condominium unit of another owner not expressly consenting to or requesting the same, or against the common elements, except as to the undivided interest to the unit of the owner for whom such labor shall have been furnished.

27.2 The provisions herein contained are subject to the rights of the Association, as set forth herein.

27.3 Each owner shall indemnify and hold harmless each of the other owners from and against liability or loss arising from the claim of any lien against the condominium unit or any part thereof, of any other owner for labor performed, or for materials furnished in work on such owner's unit.

28. MORTGAGING A UNIT - PRIORITY. Any owner shall have the right from time to time to mortgage or encumber his interest in a condominium unit by mortgage. A first mortgage shall be one which has first and paramount priority under applicable law and a mortgage imposed against the condominium unit by virtue of the first sale of such unit by the Declarant shall be construed and presumed to be a first mortgage. The owner of a condominium unit may create junior mortgages on the following conditions:

28.1 That any such junior mortgages shall always be subordinate to all of the terms, conditions, covenants, restrictions, uses, limitations, obligations, liens for common expenses and other obligations created by this Declaration, the Articles of Incorporation and Bylaws of the Association.

28.2 That the holder of any junior mortgage shall release, for the purpose of restoration of any improvements upon the project, all of his right, title and interest in and to the proceeds under insurance policies upon said project wherein the Association is named insured. Such release shall be furnished upon written request by the Association.

29. INSURANCE:

29.1 The board of managers of the Association shall obtain and maintain at all times, to the extent obtainable, policies involving standard premium rates, established by the Colorado Insurance Commissioner, and written with companies licensed to do business in

Colorado and having a Best's Insurance Report rating of Class VI or better, covering the risks set forth below. The board of managers of the Association shall not obtain any policy where: (1) under the terms of the insurance company's charter, bylaws or policy, contributions or assessments may be made against the Mortgagor or Mortgagee's designee; or (2) by the terms of carrier's charter, bylaws or policy, loss payments are contingent upon action by the company's board of directors, policyholders or members; or (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or the mortgagor from collecting insurance proceeds. The types of coverages to be obtained and risks to be covered are as follows, to-wit:

29.1.1 Fire insurance with extended coverage and standard risk endorsements, which endorsements shall include endorsements for vandalism and malicious mischief. Said casualty insurance shall insure the entire condominium project and any property, the nature of which is a common element (including all of the units and fixtures therein initially installed by the Declarant but not including furniture, furnishings or other personal property supplied by or installed by Unit owners) together with all service equipment contained therein in an amount equal to the maximum replacement value, without deduction for depreciation of such coverage is available. All policies shall contain a standard non-contributory mortgage clause in favor of each mortgagee of a Condominium unit, which shall provide that the loss, if any, thereunder, shall be payable to Hunter Hill Condominium Association for the use and benefit of mortgagees as their interests may appear.

29.1.2 If the condominium project is located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on the condominium project in an amount which is the lesser of the maximum amount of insurance available under the act or the aggregate of the unpaid principal balances of the mortgages on the condominium units comprising the condominium project.

29.1.3 Public liability and property damage insurance in such limits as the board of managers of the Association may from time to time determine, but not in an amount less than \$500,000.00 per injury, per person, per occurrence and umbrella liability limits of \$1,000,000.00 per occurrence, covering claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other use of the project. Said policy shall also contain a "severability of interest" endorsement.

29.1.4 Worker's compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms now or hereafter required by law.

29.1.5 The Association shall purchase adequate fidelity coverage against dishonesty of employees, destruction or disappearance of money or securities and forgery. Said policy shall also contain endorsements thereto covering any persons who serve the Association without compensation.

29.1.6 The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the project, including plate or other glass insurance and any personal property of the Association located thereon.

29.2 All policies of insurance to the extent obtainable shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of a condominium unit owner and shall provide that such policies may not be cancelled or modified without at least ten (10) days prior written notice to all of the insureds, including mortgagees. If requested in writing by one or more of the mortgagees, duplicate originals of all policies and renewals thereof, together with proof of payments of premiums, shall be delivered to all mortgagees at least ten (10) days prior to expiration of the then current policies. The insurance shall be carried in blanket form naming Hunter Hill Condominium Association as the insured, as attorney-in-fact for all of the condominium unit owners, which policy or policies shall identify the interest of each condominium unit owner (owner's name and unit number designation) and first mortgagee. Further, the Association shall require the insurance company or companies providing the insurance coverages described herein to provide each owner and mortgagee a certificate of insurance in regard to such owner's individual condominium unit.

29.3 Condominium unit owners may carry other insurance for their benefit and at their expense, provided that all such policies shall contain waivers of subrogation, and provided further that the liability of the carriers issuing insurance obtained by the board of managers shall not be affected or diminished by reason of any such additional insurance carried by any unit owner.

29.4 Insurance coverage on furnishings, including carpet, draperies, oven, range, refrigerator, wallpaper, disposal and other items of personalty or other property belonging to an owner and public liability coverage within each unit shall be the sole and direct responsibility of the unit owner thereof, and the board of managers, the Association and/or the managing agent shall have no responsibility therefor.

29.5 In the event that there shall be any damage or destruction to, or loss of or taking of a unit which exceeds \$1,000.00 or any damage or destruction to, or loss to or taking of the common elements which exceeds \$10,000.00, then notice of such damage or loss or taking shall be given by the Association to each first mortgagee of said condominium unit within ten (10) days after the occurrence of such event and the cost of repair is determined.

30. DESTRUCTION, DAMAGE OR OBSOLESCENCE - ASSOCIATION AS ATTORNEY-IN-FACT. This declaration does hereby make mandatory the irrevocable appointment of an attorney-in-fact to deal with the project in the event of its destruction, damage, obsolescence or condemnation, including the repair, replacement and improvement of any condominium units, buildings, common elements or other portion of the project which has been so destroyed, damaged, condemned or becomes obsolete. Title to any condominium unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed or other instrument of conveyance from the declarant or from any owner or grantor shall constitute appointment of the attorney-in-fact herein provided. All of the owners irrevocably constitute and appoint Hunter Hill Condominiums Association as their true and lawful attorney in their name, place and stead, for the purpose of dealing with the project upon its damage, destruction, obsolescence or condemnation as is hereinafter provided. As attorney-in-fact, the Association, by its president and secretary or assistant secretary or its other duly authorized officers and agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed, or other instrument with respect to the interest of a condominium unit owner which are necessary and appropriate to exercise the powers herein granted. In the event that the Association is dissolved or becomes defunct, a meeting of the condominium unit owners shall be held within thirty (30) days after either such event. At such meeting a new attorney-in-fact, to deal with the project upon its destruction, damage, obsolescence, or condemnation shall be appointed. Said appointment must be approved by the owners representing an aggregate ownership interest of seventy-five percent (75%) or more of the common elements and at least seventy-five percent (75%) of the first mortgagees of the condominium units. Repair and reconstruction of the improvements as used in the succeeding subparagraphs means restoring the improvement(s) to substantially the same condition in which they existed prior to the damage, with each unit and the general and limited common elements having substantially the same vertical and horizontal boundaries as before, and all improvements being reconstructed or repaired in substantial conformance with the project's original architectural plan and scheme to the extent then reasonably and economically feasible. The proceeds of any insurance collected shall be available to the Association for the purpose of repair, restoration, reconstruction or replacement unless all of the owners and all first mortgagees agree not to rebuild in accordance with the provisions hereinafter set forth.

30.1 In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvement(s), shall be applied by the Association, as attorney-in-fact, to such reconstruction, and the improvement(s) shall be promptly repaired and reconstructed. The Association shall have full authority, right and power as attorney-in-fact to cause the repair and restoration of the improvement(s). Assessments for common expenses shall not be abated during the period of insurance adjustments and repair and reconstruction.

30.2 If the insurance proceeds are insufficient to repair and reconstruct the improvement(s), and if such damage is not more than seventy-five percent (75%) of the total replacement cost of all of the condominium

units in this project, not including land, such damage or destruction shall be promptly repaired and reconstruction by the Association as attorney-in-fact, using the proceed of the insurance and the proceeds of a special assessment to be made against all of the owners and their condominium units. such special assessment shall be a common expense and made pro rata according to each owner's percentage of responsibility and shall be due and payable within thirty (30) days after written notice thereof. The Association shall have full authority, right and power as attorney-in-fact, to cause the repair, replacement or restoration of the improvement(s) using all of the insurance proceeds for such purpose, notwithstanding the failure of an owner to pay the assessment. The assessment provided for herein shall be a debt of each owner and a lien on his condominium unit and may be enforced and collected as is provided in Section 24. In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such deficiency assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association, as attorney-in-fact, pursuant to the provisions of this section. Assessments for the common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction. The delinquent owner shall be required to pay to the Association the costs and expenses for filing the notice, interest at a rate of ten percent (10%) per annum, on the amount of the assessment and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association, as attorney-in-fact, in the following order:

30.2.1 For payment of the balance of the lien of any first mortgage;

30.2.2 For payment of taxes and special assessments liens in favor of any assessing entity and the customary expenses of sale;

30.2.3 For payment of unpaid common expenses and all costs, expenses and fees incurred by the Association;

30.2.4 For payment of junior liens and encumbrances in the order of and to the extent of their priority; and

30.2.5 The balance remaining, if any, shall be paid to the condominium unit owner.

30.3 If the insurance proceeds are insufficient to repair and reconstruct the improvement(s), and if such damage is more than seventy-five percent (75%) of the total replacement cost of all of the condominium units in this project, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and the proceeds of a special assessment to be made against all of the owners and their condominium units, provided, however, that owners representing an aggregate ownership interest of

seventy-five percent (75%) or more of the common elements and at least seventy-five percent (75%) of the first mortgagees of record may agree not to repair or reconstruct the improvements; and in such event, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's president and secretary or assistant secretary, the entire project shall be sold by the Association pursuant to the provisions of this section, as attorney-in-fact, for all of the owners, free and clear of the provisions contained in this declaration, the map, Articles of Incorporation and Bylaws. Assessments for common expenses shall not be abated during the period prior to sale. The insurance settlement proceeds shall be collected by the Association, and such proceeds shall be divided by the Association according to each owner's interest in the common elements, and such divided proceeds shall be paid into separate accounts, each such account representing one of the condominium units. Each such account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. From such separate account the Association, as attorney-in-fact shall forthwith use and disburse the total amount of each of such accounts, without contribution from one lien of any first mortgagee encumbering the condominium unit represented by such separate account. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale of the entire property. Such interest in the common elements. The total funds of each account shall be used and disbursed, without contribution from one account to another, by the Association, as attorney-in-fact, for the same purposes and in the same order as is provided in subsection (b) (1) through (5) of this section. In the event that the damage is to be repaired or reconstruction is to be made then the provisions of Section 27(b) shall apply.

30.4 The owners representing an aggregate ownership interest of eighty percent (80%) or more, of the common elements in this project may agree that the common elements are obsolete and adopt a plan for the renewal and reconstruction, which plan must have the approval of at least eighty percent (80%) of the first mortgagees of record at the time of the adoption of such plan. If a plan for the renewal or reconstruction is adopted, notice of such plans shall be recorded, and the expense of renewal and reconstruction shall be payable by all of the owners as a common expense, whether or not they have previously consented to the plan of renewal and reconstruction. The Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such assessment within the time provided, and if not so paid the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association. The delinquent owner shall be required to pay to the Association the costs and expenses for filing the notices, interest at the rate of ten percent (10%) per annum, and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association, as attorney-in-fact, for the same purposes and in the same order as is provided in subsection (b) (1) through (5) of this section.

30.5 The owners representing an aggregate ownership interest of eighty percent (80%) or more, of the common elements may agree that the condominium units are obsolete and that the same should be sold. Such plan or agreement must have the approval of all of the first mortgagees of the condominium units. In such instance, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's president and secretary or assistant secretary, the entire project shall be sold by the Association, as attorney-in-fact, for all of the owners, free and clear of the provisions contained in this Declaration, map, the Articles of Incorporation and the Bylaws. The sale proceeds shall be apportioned among the owners on the basis of each owner's interest in the common elements, and such apportioned proceeds shall be paid into separate accounts, each account representing one condominium unit. Each such account shall be in the name of the Association and shall be further identified by the condominium unit designated and the name of the owners. From each separate account, the Association, as attorney-in-fact shall use and disburse the total amount of each of such accounts, without contribution from one account to another for the same purposes and in the same order as is provided in subsection (b) (1) through (5) of this section.

31. PLAN OF RECONSTRUCTION:

31.1 If the owners representing an aggregate ownership interest of 75% or more of the general common elements adopt a plan for reconstruction, which plan has the approval of the holders of 80% of the first mortgages, then all the owners shall be bound by the terms and other provisions of such plan.

31.2 Assessments made in connection with such plan shall be a common expense and made pro rata according to each owner's undivided interest in the general common elements and shall be due and payable as provided by the terms of such plan, but not sooner than thirty days after written notice thereof. The Association shall have full authority, right and power, as attorney-in-fact, to cause the repair or restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an owner to pay the assessment.

31.3 The assessment provided for herein shall be a debt of each owner and a lien on his unit and may be enforced and collected as provided in paragraphs 24 and 25.

31.4 In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such assessment within the time provided and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association. 32.2 If a plan for the renewal or reconstruction is adopted, then the expense thereof shall be payable by all of the owners as common expenses; provided, however, that an owner not a party to such a plan for renewal or reconstruction may give written notice to the Association that such condominium unit shall be purchased by the Association for the fair and reasonable market value thereof. The Association shall then have fifteen days within which to cancel such plan. If such plan is not cancelled, then the condominium unit shall be purchased according to the following procedures. If such owner and the Association can agree on the fair market value thereof, then such sale shall be consummated within sixty days thereafter.

32.3 If the owner or the Association is unable to agree as to the determination of the fair and reasonable market value of the condominium unit the same shall be submitted to arbitration in accordance with Rule 109 Colorado Rules of Civil Procedure as now in effect or as may hereafter be amended.

32.4 The Board of Arbitration shall be appointed in the following manner:

32.8 In the event there are not sufficient licensed real estate brokers in Gunnison County, Colorado, to provide the necessary appraisers and nominees herein set forth, then licensed real estate salesmen of the State of Colorado, residing in Gunnison County, Colorado, may be used.

32.9 The sale shall be consummated within fifteen days thereafter, and the Association, as attorney-in-fact, shall disburse such proceeds as provided in paragraph 30.2.1 through 30.2.5.

33. SALE UPON OBSOLESCENCE:

33.1 The owners representing an aggregate ownership interest of 75% or more of the general common elements may agree that the units are obsolete and that the same should be sold. Such plan must have the approval of 80% of the holders of first mortgages.

33.2 In such instance, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association the entire project shall be sold by the Association, as attorney-in-fact for all of the owners free and clear of the provisions contained in this Declaration, the Map and the Articles of Incorporation and Bylaws of the Association.
